# SALT LAKE DAILY HERALD should have its convincing weight with all; it is this: Salt Lake must cesse

change suggests that her punishment growth and a permanent growth and a permanent growth and a permanent growth ber pocket.

THE LOWER branch of the Connection and the matter that calls it thus tiout legislature, the other day, early to remind voters while there is passed a bill allowing women to vote time to consider. Everyone should on the question of licensing saloons; vote intelligently, and as he honeatly very different view of it. He prebut the senate has refused to concur, believes is right and for the best good. hence the whisky drinkers still have II the city shall be empowered to the privilege of controlling the sale of borrow the money, the taxpayers the liquor.

States, Great Britain, Germany and Russia, and he attributes their greatines () the fact that Jesus Cristis recognized as an authority in their recognized as an authority in their debt, there will be no canyl. jurisprudence, their legislation, their education and their social and domes tie organizations.

THE PRESCHING power of the English Methodist church connections is given at 38,000 preachers, 3,600 only of whom are ordained ministers, the of whom are ordained ministers, the remaining 54,400 being laymen. The lay preschers go out from Sunday to Sunday and preach the gospel in towns and villages. They are selected for the work by the authorities of their respective circuits, but are forbidden to receive any remaineration, their necessary expenses being paid.

who had been paying \$50 for a certain pew was unable to attend at the sale of sents, and consequently requested a triend to see that he should have his old sent. Sabsequently be met another hierd, and torgetting that he had already appointed one agent, requested the second man to look out for his pew. When the applies person one. psw. When the auction began one agent bid \$50, and the second raised it to \$51. The bidding was spirited between the two agents until the psw. between the two agents until the pew ever.

Was knocked down to one of them, the price being \$8S Mark Twain lives in Hartford, and it tar been receion ended and the country was suggested that he was one of the present are countries in the end of the page of the cancellation of greenbacks and the remonetization of silver, deposite where Americans may enter present are countries to be overrun with a turbid tide of Asiatic degralation. China has shown us how to do this by fixing up certain present and the remonetization of silver, deposite the countries of the cou

soil in San Francisco, and it soon took deep root; but before the full crop was tipe and ready for the barves, it has been struck down. After a few of the leaders shall have been convicted society will assume its proper functions and conditions, and little thereafter will be heard about the booklum element.

### WASHINGTON.

Washington, 20.—The passage by the House, yesterday, of the so-called Garfield amendment to the federal election laws, continues to be the principal topic of conversation in political circles, to-day, and there are indications that it will give rise to an exotting contest in the Senate. The treat, and they are blaming Garfield for the bad management of the mat-

ter. We have got all we want now. Congressman Frank Heard, o dicts that the democrate of the House will regret their action, because, in If the cityshall be empowered to be first place, it is a complete berrow the money, the taxpayers abundonment of the positions taken ought to understand that the sum, at the extra session, that the election laws were unconstitutional and that the democrate would never tote a dollar to enforce them; and secondly, because he believes that if any demo-cratic deputy marshals are appointed by republican judges, they will be a class of men willing to work for the republicans for \$5 a day. Several prominent republican sensiors an-nounce an intention to oppose this amendment in the Sensions as strenamendment in the Senats as stron-uouely as they fought the attempted repeal of the election laws at the extra session. Messrs. Conkling and Carpenter will undoubtedly come to the front on this question, but it is somewhat doubtful whether they will be able to command the entire

The San Francisco hoodiums must begin to think that lightning has struck in their midst. Their leafer, Danie Kearney, is ear route for jail on a six months' tour, and on Saurday one of his lieutenants, Gannon, was sentenced to six months in the House of Correction, and to pay a fine of \$1,000. All of this for un'awful agitation, or incendiarism. Communication of the sale of the sentence of the s

## FOREIGN.

Rome, 20.—In the Chamber of Deputies, to day, the debate on gov-ernment's foreign policy ended and a vote of confidence in ministry passed —220 to 93. Previous to the vote, Minghetti, of the right, declared that he fully accepted Premier Carro's de-claration relative to the Italia irredenta agitation, and the maintenance of good relations with Austria. Twelve members of the extreme left abstained from voting. The vote of confidence greatly strengthens the cabinet.

London, 20.—Tattersail's commit-tee, to whom was referred the ques-tion of whether the rules regulating betting on horse races are applicable to boat races in the case of postpone ment over Sunday, has decided that they do spoly, and consequently all bets are void.

## Guilty.

Elizabeth, N. J., 20.—The trial of Thomas B. Leggett and Daniel W. Leeds, ex officers of the city, which has been in progress during the week on charges of conspiracy to defraud the city by buying bonds at low figures and turning them into the sinking fund at par, ended to-day with a verdict of guilty.

Grant Wave Not So Strong. Geneva, Ind , 20 .- At the repub lican county convention held bere, to-day, of the thirteen delegates elected to the state convention eight are for Blaine and five for Grant. This is the first county convention held in the state, and indicates that the Grant wave is not as strong as was
